

## Air tickets, vehicle hire, visa support and permits

Besides arranging full-service tours, the Great Game Travel Company can help you to plan any trip to Tajikistan. If you are visiting for business – or if you simply prefer to arrange things yourself – we can organise just the parts of the trip that you need us to. This factsheet is a brief summary of the services that we offer. If you don't see what you are looking for, please contact us. We will do all that we can to make sure that your trip to Tajikistan is enjoyable and hassle-free.

### Air tickets

We can sell air tickets into Tajikistan on the routes Munich-Dushanbe and Istanbul-Dushanbe. To make an online reservation, please go to <http://www.traveltajikistan.com/flights>. In the near future, we hope to expand this facility to other flights into Central Asia.

### Vehicle hire

The Great Game Travel Company has vehicles for hire, including 4WD jeeps with air conditioning (Toyota Landcruiser) and a Toyota Previa minibus. These vehicles can be hired by the day within Dushanbe, or by the kilometre for trips outside Dushanbe. Please contact us for a quotation.

### Visa support and permits

The Great Game Travel Company can arrange all the documents that you need to travel to Tajikistan:

- Visa support: if you require a letter of invitation, please go to <http://www.traveltajikistan.com/visas> for information and an online application form. The cost of a letter of invitation is included in our tours. If you want to make your own travel arrangements, the cost for this service is GBP £35.00 per person.
- Group visa: normally you need to apply for your visa in a Tajik embassy or at Dushanbe airport on arrival. However, for groups of five or more people, we can arrange a group visa, which we can bring to you at the border. (You should only apply for a group visa if your group will stay together during their stay in Tajikistan, and where we are meeting you at the Tajik border).
- GBAO Permit: If your travel includes the Pamir region, Gorno-Badakhshan Autonomous Oblast (GBAO), you will need an additional permit. The cost of this permit is included in our tours, but if you are travelling independently we can arrange this permit for you in advance at a cost of GBP £35.00 per person.
- OVIR registration: If you are staying in a government-approved hotel, they will register you with the Office for the Registration of Foreign Citizens (OVIR). We also arrange this if you are booked on one of our tours. Otherwise, you must register yourself with OVIR within 72 hours of arrival in Tajikistan. We can do this for you for a small administrative fee.
- Trekking license (above 2,000 m); High-altitude climbing license (above 6,000 m): We will arrange these for you if you are booked on one of our tours that includes trekking or high-altitude mountaineering.
